

# PERSONAL CARE

## CLOSE® SHAVING GEL

*A close, clean shave*

### DESCRIPTION

Now you can enjoy the unbeatably close shave you get with a razor without the nicks, cuts, and scrapes. Close® Shaving Gel contains rich lubricants that help your razor glide across the skin. It also features gentle moisturizers that soothe the skin and special wetting agents that lift your hair for an even closer shave.

For both men and women, Close® Shaving Gel helps your skin feel smooth and look fantastic, shave after shave.

### BENEFITS

- Easy-glide formula delivers a consistent, smooth shave
- Soothes the skin
- Moisturizes
- Leaves skin feeling soft and supple

### KEY INGREDIENTS

- *Aloe vera*—A natural moisturizer known for its soothing and rejuvenating effects.
- *Allantoin*—Derived from the comfrey plant, it supports against irritation.
- *Sodium isostearoyl lactylate*—Conditions and moisturizes.
- *Sodium cocoyl isethionate*—Offers a soft, velvety feel on the skin and produces luxurious foam.
- *Cocamidopropyl betaine*—Provides critical thickening and foaming properties.
- *Other skin-conditioning botanical ingredients*—Tangerine, lavender, ylang ylang, geranium, bergamot, and orange extract.
