

SAFETY ALERT! We've seen it before – Big Business and Powerful Government Interests in a High Stakes Conspiracy to Confuse, Mislead and Cover Up in a game of Deceit to Protect Multi-Billion Dollar Corporate Profiteering. Asbestos, Agent Orange, Silicon Breast Implants, The Tobacco Industry, and most recently, Vioxx and the greed of the Giant Corporate Drug Makers have Violated the Trust and Health of the American Public. But even as you read this, lines are being Drawn in a New Battleground over a Public Health Scandal that may rock the Cosmetic and Personal Care Industry to the Core in a way that would even have Big Tobacco Running Scared. However, this battle plays out, the Most Important thing you can do today is Protect yourself from the Undisclosed Dangers of Cancer Causing ingredients lurking in the Personal Care and Cosmetics you use each and Every Day!

When it comes to fighting cancer, one of the most feared of all diseases and a leading cause of deaths worldwide, BILLIONS of dollars have already been spent on everything from prevention to treatment, still cancer takes countless lives every year and we are all at Risk! Worst yet, manufacturers of these products and their well paid lobbyists vehemently deny that regular use of these products may be a significant cause of Cancer, despite a mounting body of evidence proving the danger is real.

But there is a company that has been manufacturing safe, carcinogen free products since 1992. This company is Neways International. Besides just saving lives, by eliminating unnecessary exposure to these ingredients, these products might also make you rich.

Countless studies have shown that exposure to many ingredients in personal care and cosmetic products can cause Cancer, Birth Defects, Alzheimer's, Infertility, Kidney and Liver Damage, Immune System Disorders, DNA Damage, Headaches, Fatigue, and other Ailments. Still, we unknowingly expose ourselves to them every day when we shower and bathe. But you don't have to take our word for it. Scientists across the globe have been warning us about the dangers for years. So, what is the solution? Neways personal care and cosmetic products have been certified by the Cancer Prevention Coalition as containing no cancer causing ingredients.

But how can this make you rich? It's simple. Neways has no competition. They are the only company that has received the Seal of Safety from The Cancer Prevention Coalition for their products being free of Cancer Causing ingredients. Within 5 years every man, woman and child will be using these products. We have a Monopoly and are Unbeatable.

You can still get in on the Ground Floor.
